We want everyone to be able to enjoy the experience! **Please notice at the top right corner of the request form there is a link to click for the event calendar.**

What about parking? Parking is on your own. Ideas for parking: Little Caesars Arena garage, Comerica Park open lot, Fox Theater garage ... and most of you already have parking at Z-Deck garage and Opera House garage and can Q-line to LCA.

Little Caesars Arena Garage information: The LCA Garage will open approximately three hours prior to an event and close approximately two hours after an event. The LCA Garage will operate two entrances for games and events – a north entrance located off Sproat Street and a south entrance located off Henry Street. Suite Holders can utilize both entrances.

Arena Entry/Exit? Suite Holders can enter **through the Blue Cross Lounge/Suite Level** from the LCA Garage by walking across the 2nd level bridge that connects the garage with the arena. There

are also four other main entrances (one on each corner of LCA) that can be utilized as well – Chevrolet Entry NE, Comerica Entry SE, Meijer Entry SW and Huntington Entry NW.

What is the Blue Cross Lounge? This lounge is private for Suite Holders and includes a suite level bar and concierge reception desk.

When does LCA open and close for events? Suite Holders can enter the arena for events at the same time the arena doors open. Doors will open 90 mins. prior to each Red Wings game. Door times for all other events/concerts will vary by event. Arena doors will close approximately one hour after all events.

How do you access our suite upon arrival? The door to every suite is equipped with a scanner where you will scan your ticket to unlock the suite upon arrival.

How can guests sitting in the arena bowl visit our suite during a game/event? During a game/event, the Blue Cross Lounge reception desk concierge staff can help distribute guest passes.

Our suite has 14 affixed seats on the suite balcony. In addition to that, there are 6 high-top bar stools located behind the balcony seats and 8 high-top barstools at the island inside of the suite. There is also a sofa and 2 other chairs inside as well. Our suite will be stocked with beer, wine, pop & water and a pre-set menu for all concerts and games. Should you desire other food items available to the suite, you may order them and personally pay for them with your credit card. There is also a full bar (with liquor) just outside the door of our suite where you will be able to purchase beverages and pay with cash or personal credit card.

The suite has a five-monitor TV display. The center monitor possesses an HDMI input that will allow us to add/upload content upon arrival via a laptop.

Our suite has a tablet affixed to the wall that will allow us to control the lights, open and close the suite curtains, view the suite menu, contact a suite attendant or security, change the monitor(s) or radio station(s), control the temperature and view important game/event day information. There is also suite concierge staff in the suite corridor in case you need to reach anyone for any reason.

Restrooms – None of the suites have their own restroom. The restrooms for the suites, and ONLY the suites, are outside of our door located on suite corridor floor.

We are looking forward to sharing this very exciting new perk for all our Sachse family!

Now – Go! and Enjoy yourselves!
